

## CBC 2012 World Missions Conference

*Theme: "Declare His glory among the nations." —Ps.363*

### **Keynote Speaker: Dave Stravers** *President, Mission India*

Dave Stravers became President of Mission India on January 1, 2005. Prior to joining Mission India, he served The Bible League as the Executive Vice President of Ministries. In that position, he implemented Project Philip discipleship programs and church planter training, supervising 700 full-time staff in the United States and 50 other countries, including India. Dave graduated from Calvin College (BA), Calvin Seminary (M.Div.), and Fuller Theological Seminary (M.A. Missiology, 1984).

He is an ordained minister in the Christian Reformed denomination. Dave and his wife, Jan, were first called to mission service in 1974 when they were sent to the Philippines where they served as trainers and church planters until 1986. Their three children were all born in Asia.

#### **Mission India's programs**

- Children's Bible Clubs touch the lives of India's boys and girls, giving children and their families new hope for a brighter future.
- Adult Literacy Classes are providing illiterates with vital skills to change their lives for the better, and introducing many to the Gospel for the first time.
- Church Planter Training programs are equipping India's Christians to effectively share the Gospel, strengthen their local communities, and build up the Indian church.
- For each program, we provide materials, we train partners how to use the materials, and we require partners to report back the results of the program when it is completed.
